# DIRECTOR'S MESSAGE

As I write this letter, we are preparing for a warm day after what seemed like weeks of cooler temperatures and some rain showers. I am looking forward to warmer days and seeing spring flowers and trees come to life with new leaves and foliage.

I am again very excited to present the Spring and Summer Activity Guide. The Community Services Department team works hard to bring you great programs, services, and facilities all year long, however, the spring and summer are by far our busiest. Please enjoy browsing this guide and finding something for yourself, your family and your friends. I would like to take a moment to highlight a project update and some events you may be interested in:

## Rengstorff Park Aquatics Center

The new Rengstorff Park Aquatics Center is currently under construction and we look forward to opening the facility later this spring/summer to the community. On page 51, staff have inserted detailed information about the project and the amenities that will be available once it is open. In addition, you can see some renderings of what the facility will look like when completed.

## Live Music and Movies

We are excited to bring back Concerts on the Plaza that takes place in front of City Hall. This popular concert series offers a variety of music every Friday, June through September, which means we are providing 17 weeks of live music on the Plaza from 6 to 7:30 p.m. I want to recognize the staff that worked so hard to schedule all these bands for us. Find more information on page 75.

We also provide three dates where the Plaza welcomes a younger crowd for live music at Kid Stock. Don't miss out on the opportunity to bring your family, especially the little ones, for a morning of fun music and dancing from 10 a.m. to 12 noon. More information is available on page 9.

Another popular summer series is the Outdoor Movie Series located at various parks across the City. Staff have scheduled six movie nights throughout the summer. Movies start once it is dark and more information is available on page 30. Join us under the stars to enjoy the movies and bring your own blankets or folding chairs.

I look forward to seeing you at our programs and events this spring and summer.

Temporary DMV Change of Address cards, Post Office boxes, personal checks, letters or flyers are not acceptable. The proof of residence must match the name and address on the registration form.

# Ready to register?

Read the below first

**Class Attendance and Registration** • You're excited and we're excited that you're ready to jump into an activity. Before you do, though, make sure you're already registered to participate. Registration does not happen in class, please make sure to register online.

**Waitlist** • Drats! You were this close to getting in! Your name will be placed on a waitlist if the class is full. At the program supervisors discretion, another class may be added to accommodate for participants on the waitlist. You will be given a 24-hour deadline to submit your Registration Form and payment. If your Registration Form and payment are not submitted by the given deadline, you will be removed from the waitlist and the next person on the list will be contacted.

**Age/Birth Date** • To register, participants must be within the required minimum and maximum age by the first day of class. All participants 17 years of age or younger must provide their date of birth. Proof of age may be requested.

**Transfer** • Need to transfer from one activity to another? You may transfer to another activity as long as you meet the minimum age requirement, there is space available and you send your written request five (5) business days before the first day of class. So that means if class starts on Monday, you have the Monday before to transfer. Email your request to [Recreation@MountainView.gov](mailto:Recreation@MountainView.gov). You will be assessed a \$10 processing fee per transaction.

**Withdrawal** • If you need to withdraw from an activity and receive a refund, e-mail us at [Recreation@MountainView.gov](mailto:Recreation@MountainView.gov) no less than five (5) business days before the first day of class. You may also submit a Withdrawal Request Form that you can download by visiting [MountainView.gov/Register](http://MountainView.gov/Register). Just so we're on the same page, if your class starts on Monday, your last day to withdraw is the Monday before that class. You will be assessed a \$10 processing fee per transaction.

**Missed a day?** • Unfortunately, no refund or make-up classes will be issued for any missed activity by the participant.

#### Once a class begins, can I still join or transfer? •

Yes! We do not prorate any of the days that have already taken place, though. You just need to catch up with everyone else at the next class!

**Behavior Violation** • Participants receiving three (3) behavior violations will be removed from the specific program.

#### Wait, what? You canceled my activity?!

Classes not meeting minimum registration levels will be canceled. Participants will be notified approximately three (3) business days before class begins and issued a full refund, or be eligible to transfer to another class if space is available. Participants transferring will be responsible for any additional fees.

## Financial Assistance

### Recreation Class Financial Assistance Program (FAP)

The City provides eligible, low-income Mountain View families limited financial assistance to register children for recreation classes. To qualify, applicants must be a Mountain View resident and qualify through the Community Services Agency (CSA) screening process (subject to Santa Clara County HUD guidelines). Upon eligibility, recipients will either receive a 90% Financial Assistance Waiver up to \$500 per child (10% of the class price must be paid out of pocket) OR a 75% Financial Assistance Waiver up to \$400 per child (25% of the class price must be paid out of pocket). FAP allocations do not cover any material fees. Material fees must be paid out of pocket. FAP is good for one year (September 1 through August 31) and does not apply to Adult Classes, Golf, Tennis, Rec Swim, Lap Swim, and Special Events.

204 Stierlin Road  
650-968-0836

By appointment only.  
Solo por cita.

### Programa de Ayuda Financiera para Las Clases de Recreación

La Ciudad de Mountain View provee asistencia financiera limitada, a las familias elegibles y de bajos ingresos de Mountain View, para inscribir a los niños en clases recreativas. Para calificar, los solicitantes deben ser residentes de Mountain View y calificar a través del proceso de selección de la Agencia de Servicios Comunitarios (CSA) (sujeto a las pautas del Departamento de Vivienda y Desarrollo Urbano del Condado de Santa Clara- en inglés HUD). Al ser elegible, los beneficiarios recibirán un 90% de exención de asistencia financiera de hasta \$500 por niño (el 10% del precio de la clase se pagará de su bolsillo) o un 75% de exención de asistencia financiera hasta \$400 por niño (25% del precio debe ser pagado de su bolsillo). Las cantidades asignadas (asistencia financiera- FAP), no cubren honorarios para materiales. Los honorarios para materiales deben ser pagados de su bolsillo. La cantidad asignada como parte de la asistencia financiera (FAP) es válida por un año (del 1 de septiembre al 31 de agosto) y no se aplica a Clases para Adultos, Golf, Tenis, Natación y Eventos Especiales.

## Coding

### Junior Programmers

Ages 6 to 8

Designed for the youngest programmers, this course introduces children to the fundamentals of coding through playful exploration. As they bring dancing characters to life and create their very own interactive games, our little coders naturally develop critical thinking and problem-solving skills. By the end of this journey, your child won't just have taken their first steps into coding, they'll have the tools to grow and thrive as curious, lifelong learners. *Please bring a lunch and a drink each day.* Instructor: Code For Fun.  
**No camp 7/4.**

<b>Location:</b> Community Center - Elm Room	R/NR
<b>19924</b> M - F 9 a.m. - 3 p.m. 7/1 - 7/5	<b>\$494/\$618</b>

### Game Design with MakeCode

Ages 8 to 12

Unleash your creativity with our brand new 'Game Design with MakeCode' course! Powered by Microsoft's cutting-edge platform, students not only learn foundational coding concepts but will also design their very own virtual arcade games and bring these games to life on physical gaming devices. With an emphasis on user experience, students will learn to create intuitive, engaging games, honing their skills as thoughtful programmers who understand the importance of user interaction. *Please bring a lunch and a drink each day.* Instructor: Code For Fun.

<b>Location:</b> Community Center - Elm Room	R/NR
<b>19923</b> M - F 9 a.m. - 3 p.m. 7/8 - 7/12	<b>\$613/\$766</b>

### Scratch #GameMaker

Ages 8 to 11

This course is not just about learning to code - it's an exciting journey into the world of game creation. Our students will design and develop their games, fostering a new perspective on how they engage with games. By combining gaming and coding, we aim to nurture curiosity, inspire creativity, and instill critical thinking skills. At the end of this course, your child won't just play games, they'll be thinking about how they could create them, sparking a lifelong journey of curiosity and creativity. *Please bring a lunch and a drink each day.* Instructor: Code For Fun.

<b>Location:</b> Community Center - Elm Room	R/NR
<b>19920</b> M - F 9 a.m. - 3 p.m. 6/3 - 6/7	<b>\$613/\$766</b>

### Programming with Minecraft

Ages 9 to 12

This course utilizes the engaging world of Minecraft to introduce Python coding fundamentals. As students traverse through the virtual landscapes, they will learn key coding concepts like variables, data types, loops, conditionals and functions. They will create interactive experiences, from laying a yellow brick road to building entire towns, and even hosting a virtual treasure hunt, all powered by Python. This isn't just a coding class - it's a vibrant fusion of fun and learning, where coding becomes a tool for exciting in-game innovations. *Please bring a lunch and a drink each day.* Instructor: Code For Fun.

<b>Location:</b> Community Center - Elm Room	R/NR
<b>19918</b> M - F 9 a.m. - 3 p.m. 6/24 - 6/28	<b>\$613/\$766</b>

## Artificial Intelligence with Scratch

Ages 9 to 12

Machine learning is rapidly reshaping our world, and it's more critical than ever for children to understand this transformative technology. Our mission is to introduce machine learning to young minds in a fun and approachable way, breaking down complex concepts into digestible lessons. Students will train their own machine learning models to recognize patterns in text, numbers, images, or sounds. They'll use those models to build their own face filters, smart devices, and chatbots. *Please bring a lunch and a drink each day.* Instructor: Code For Fun.

## Roblox Game Design

Ages 10 to 15

This interactive course leverages the excitement of Roblox, transforming gameplay into a hands-on coding experience. Throughout this course, students master essential programming concepts such as loops, rendering and inventory systems by integrating them directly into the Roblox environment. Each challenge unlocks new coding skills and deepens their understanding, fostering logic, problem-solving, and creativity. This is not your typical coding class. We use Roblox to bring coding to life, evolving the way students interact with their favorite games. *Please bring a lunch and a drink each day.* Instructor: Code For Fun.

## Eco-Explorers

Ages 6 to 11

Have fun finding and magnifying nature's smallest creatures, engineer animal habitats, pour plaster casts of animal tracks, make recycled paper and build a water filter! Create your own blob of "mad mucus" and find out what Mr. Owl ate for lunch! *\$30 materials fee due to instructor on the first day of camp.*

Instructor: Mad Science of the Bay Area.

**No camp 7/4 and 7/5.**

Location: Community Center - Maple Room				R/NR
19890	M - W	9 a.m. - 3 p.m.	7/1 - 7/3	\$334/\$418

## NASA/Brixology

Ages 6 to 11

**Morning:** Dive into the realms of the Chemical and Physical world in this crazy week of non-stop action and reaction! Perform spectacular hands-on experiments and continue the fun at home with the gadgets you've designed in the lab!

**Afternoon:** Learn engineering concepts while assembling a space station, boats and vehicles. BRIXOLOGY builds the foundation for our next generation of makers! Take home LEGO® inspired projects each day!

*\$50 materials fee due to instructor on the first day of camp.*

Instructor: Mad Science of the Bay Area.

Location: Community Center - Maple Room				R/NR

## Mechanical Masterminds & Ninjas

Ages 6 to 12

**Mechanical Masterminds (morning):** This program gives your student the tools they need to understand mechanical movement, physics, and engineering design. They will see moving parts up-close, develop new design ideas, test out physics concepts, and even play games with their partners and classmates.

**Ninjas (afternoon):** Students will learn about shinobi through a variety of building activities, games, and projects! From translating their name to Japanese to learning about the importance of strength, concentration and agility, students are bound to have a blast.

*For the full-day camp, please provide your child with a snack, lunch and drink. Instructor: Snapology Of Mountain View.*

## GameBots Robotics & Castles & Kingdoms

Ages 6 to 12

**GameBots Robotics (morning):** In this game-focused robotics program, your engineer will explore the basics of robotics while playing some really awesome games with and against their classmates! While working with a partner to complete various challenges, your student will be taught how to effectively utilize sensors, how different mechanical components work in their robots, and how programming is a challenging but rewarding skill that they can master with just a little practice.

**Castles & Kingdoms (afternoon):** Students will have the opportunity to use LEGO® bricks to design their medieval fantasies while also bringing the real history to life! Yes, your student will do more than just build with LEGO® bricks, they will build their historical understanding of the unique elements that make the medieval time period such a fascinating point in human history

## Wacky Robots & Widgets

Ages 7 to 12

Whether you love to build things or destroy them, this week of camp includes lots of both! Design simple machines using pulleys, wedges, screws and levers and have fun learning how catapults work! Build a robot to keep, all while learning the science of robotics! *\$50 materials fee due to instructor on the first day of camp.*

Instructor: Mad Science of the Bay Area.

Location: Community Center - Maple Room					R/NR
19895	M - F	9 a.m. - 3 p.m.	6/10 - 6/14		\$510/\$637

## Young Inventors

Ages 7 to 12

**Creative Contraption Warning!** This camp is designed by you-the Inventor! Each day you'll be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all - your imagination! With a little ingenuity, you'll construct catapults and forts, then lay siege to a castle. *\$50 materials fee due to instructor on the first day of camp.* Instructor: Mad Science of the Bay Area.

Location: Community Center - Maple Room					R/NR

## Geometry Treehouse

Ages 9 to 10

Growing IQ brings you a project-based class for students entering 4th to 6th grade that allows students to apply their natural tendencies to the learning process. In this weeklong camp, students will explore the math involved in designing a treehouse by learning about the area of two and three dimensional shapes, surface area, ratios, scales, fractions and more! Instructor: Growing IQ.

Location: Growing IQ - Sunnyvale Center				R/NR
20281	M - F	9 a.m. - 12 p.m.	7/22 - 7/26	\$494/\$618

## Algebraic Logic

Ages 11 to 12

Immerse yourself in the dynamic world of Algebraic Logic, where experiential learning takes center stage. With a focus on logic and patterns, this course goes beyond traditional procedural mathematics, challenging you to deepen your understanding of Algebra's fundamentals. The incorporation of logic into the curriculum not only enriches your immediate learning experience but also lays a foundation for long-term mastery, setting the stage for success in advanced areas like Calculus and Data Science. Instructor: Growing IQ.

Location: Growing IQ - Sunnyvale Center				R/NR
20285	M - F	1 - 4 p.m.	7/8 - 7/12	\$592/\$740

**Activity Tip:** An email with reminders as well as important camp information will go out the week prior to your camp beginning.

## Coaster Creations Academy

Ages 11 to 12

In Coaster Creations Academy, you will actively explore and apply mathematical concepts in a real-world context. As you design and analyze your unique roller coasters, you'll delve into measurement, geometry, algebra, physics, and statistics, fostering critical thinking, problem-solving, and reasoning skills. Above all, the camp is dedicated to igniting your curiosity and creativity through a meaningful and memorable exploration of mathematical concepts. *Snack, lunch and water bottle is encouraged to bring for the full-day camp.* Instructor: Growing IQ.

Location: Growing IQ - Sunnyvale Center				R/NR
20284	M - F	9 a.m. - 4 p.m.	7/15 - 7/19	\$592/\$740

## Logical Geometrics

Ages 11 to 13

Logical Geometrics will lead students beyond the traditional high school curriculum by combining logical thinking with geometric problem-solving that draws on reasoning, inference, and critical thinking. As students learn to reason and become more proficient in the rhetoric of mathematics, they will develop a more nuanced understanding of mathematical structures and gain vast insight into diverse problem-solving strategies that will be useful throughout their academic pursuits. Instructor: Growing IQ.

Location: Growing IQ - Sunnyvale Center				R/NR
20286	M - F	1 - 4 p.m.	7/22 - 7/26	\$148/\$740

## Coding Logic

Ages 11 to 14

Coding Logic is a logic-centered enrichment program that allows students to analyze, discover and take ownership of their computer science learning through sensory-rich and technology-infused, collaborative experiences. Students will be opened to common programmer questions and problems, as well as introducing students to using computational thought. Instructor: Growing IQ.

Location: Growing IQ - Sunnyvale Center				R/NR
20271	M - F	9 a.m. - 12 p.m.	6/24 - 6/28	\$592/\$740

# SWIM LESSONS

## Registration Tips

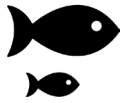

- Aligned with the American Red Cross Learn to Swim Program, each child must be the required minimum/maximum age on the first day of each session.
- For the first session, we recommend you enroll in the last swim level completed.
- Visit [MountainView.gov/SwimLessons](http://MountainView.gov/SwimLessons) to review all swim levels in detail.
- Registering for the appropriate level is encouraged due to limited space and no transfer guarantee.
- The waitlist will be contacted first when spaces open.
- Registering for back-to-back sessions is not permitted and you will be asked to drop one of the classes.

## Swim Lesson Guidelines

- Bring a copy of your receipt on the first day of class.
- During swim lessons, please direct questions regarding registration and swim lessons to onsite Pool Supervisor.
- If advancing to a higher swim level, transfers may be made if: (1) space is available in the class/session; and (2) participants last completed level is provided.
- If your child does not attend the first day of class without notifying staff, the waitlist may be contacted to fill the spot.

# Rengstorff Park Aquatics Center Opening Soon!

Construction on the Rengstorff Park Aquatics Center began in spring 2022 and will be opening soon. This facility is one of two aquatic facilities operated by the City of Mountain View and will become the home of year-round aquatics programs.

The new facility will feature an 8,200 square-foot building with a multi-purpose room, locker and shower facilities and staff office areas. The facility will include a 25-meter by 25-yard lap pool with a 1-meter and 3-meter diving boards, as well as a recreation pool with zero-depth entry, water toys, a water slide and four-shallow 25-yard lap lanes. The project utilizes the latest in green building design features including an all-electric system with innovative solar panels that provide both photovoltaic (PV) as well as solar thermal energy to heat the nearly 500,000 gallons of pool water.

For more information on the project as well as the grand opening, please visit  
[MountainView.gov/RengstorffPool](https://MountainView.gov/RengstorffPool).

Water Play Elements

# EARLY CHILDHOOD

## Preschool

Our creative play-based preschool programs have been designed to meet the developmental needs of the “whole child.” The curriculum centers on the vital social opportunities children need in order to grow emotionally, cognitively and kinesthetically. Children are provided the opportunity to learn at their own pace with a curriculum that includes daily art and circle time activities, singing, dancing and storytelling.

Children must be the required age by September 3 of the school year in which they are registering. The following documents must be submitted at time of registration:

- Completed class registration form (online or in-person)
- Copy of the child’s birth certificate
- Copy of the child’s current immunization card/record

Child must be potty-trained (no children in diapers or potty-training diapers). For more information on the Preschool programs, please visit [MountainView.gov/Preschool](https://MountainView.gov/Preschool).

# EARLY CHILDHOOD

## Early Enrichment

### Baby Sign Language Introductory Workshop **VIRTUAL**

**Ages** Parents-to-be and Parents with Babies

Baby Sign Language gives babies the opportunity to communicate long before they can verbalize their wants and needs. Signing with babies accelerates language acquisition, reduces frustration, enhances a child's self-esteem and deepens the bond between parent and child. Fun activities and songs will show how easy it can be to integrate more than 20 signs into your everyday routine and jump-start your child's verbal skills. Babies are not required to attend. This 90-minute Introductory Workshop may be followed by the six-week series with themes like mealtime, animals, colors, family, bedtime and more! Birth to 24 months. *For more details, visit [www.happybabysigns.com/faqs.html](http://www.happybabysigns.com/faqs.html).*

# YOUTH AND TEENS

## Teen Summer Volunteer Opportunities

Elevate your summer with the Teen Volunteer Summer Program, supporting the Recreation Division's Summer Camp, Swim Lesson, and Deer Hollow Farm programs. Dive into a dynamic and enjoyable volunteer experience, blending advanced training with meaningful service opportunities. This free program requires an application and an interview.

### How do I apply?

All prospective teen volunteers must complete an application. Applications open online at **MountainView.gov/TeenSummerVolunteer** on March 4, 2024. Applications are due on April 26, 2024. Interviews will take place in May. Applicants will receive information via email on how to sign up for an interview once their application has been submitted. Applicants will receive notice of their acceptance via email on May 17, 2024.

### What volunteer opportunities are available?

#### Junior Leaders

**Ages** 14-17 years old by June 8

Junior Leaders will join the City of Mountain View summer camps to engage with youth, lead activities and games, and shadow staff.

- Interest in volunteering with youth
- Available for at least 1 week of service between June 10-August 9
- Volunteer shifts are 8:45 a.m. - 4:15 p.m. Monday-Friday

#### Junior Lifeguard

**Ages** 12-17 years old by June 8

Junior Lifeguards will assist Aquatics staff in swim lessons by making the pool a safe, fun, and friendly atmosphere.

- Interest in aquatics and volunteering with youth
- Available for at least 2 weeks of service between June 10-August 3
- Volunteer shift times vary and are available Monday-Saturday

#### Deer Hollow Farm Intern

**Ages** 14-17 years old by June 6

Deer Hollow Farm Interns will assist staff during Deer Hollow Farm Wilderness Camps with various outdoor and farm activities.

- Interest in the outdoors and volunteering with youth
- Available for at least 3 weeks of service between June 10-July 26
- Volunteer shifts are 8:30 a.m. - 3:30 p.m. Monday-Friday
- Transportation to and from Deer Hollow Farm is provided from the Community Center

### Can I apply for multiple opportunities?

Absolutely! We encourage you to explore all of your interests. Feel free to apply for multiple opportunities within our Teen Volunteer Summer Program. Remember, each program has its own online application.

### Is there any interviews and training?

Yes! Attendance to an interview and training are mandatory and vital to your success in the program. If you are participating in multiple opportunities (i.e. Junior Leaders and Deer Hollow Farm Interns), you must attend all required trainings. If training overlaps, staff will schedule a different time to meet with you. Training dates for each program will be listed on the applications.

### Where can I get more information on the program?

The City will host an information night on Monday, March 4, 2024, from 6:30-7 p.m. at The View Teen Center. Interested teens and their guardians can speak with staff about the programs' application processes, requirements, and experiences.

You may also contact staff to learn more about each opportunity. Please reach out to Recreation Coordinator, Lauren Eck, via email ([lauren.eck@mountainview.gov](mailto:lauren.eck@mountainview.gov)) or phone (650-903-6404) with any questions.

# Youth Advisory Committee

Seeking current 6th - 11th grade Mountain View residents who want to make an impact for the 2024 - 2025 Youth Advisory Committee. ## PARKS AND RECREATION STRATEGIC PLAN

*ImagineMVparks*

### Imagining the Future of Mountain View Parks and Recreation

Mountain View's parks and recreation programs are an essential part of what makes our city a great place to live, work and play. While this has always been true, access to open space has become even more important as the community has sought wellness and connection during and coming out of the COVID-19 pandemic.

There is a lot to love about Mountain View's parks and recreation programs, with well used established parks and new parks being constructed, such as Fayette Park—which opened in mid-October. In addition, seven new parks sites are currently identified with expected construction of one to two new parks a year.

Even with these plans for park expansion, there is a tremendous opportunity to reimagine our parks and programs to provide enhanced amenities and purchase land to meet the evolving needs of the community and to create better access to open space in underserved areas such as Monta Loma, Rex Manor, Whisman and other neighborhoods north of Central Expressway, as well as the Central and San Antonio areas.

The City is developing a Parks and Recreation Strategic Plan. This plan, one of the City Council's top priority projects, will guide the future of the City's park and open space resources, community facilities and recreation programming. Your creative ideas and input are key to shaping an innovative plan that is responsive to community needs and will accomplish a bold new vision for our parks, facilities and programs.

Submit ideas for the plan, learn about upcoming input opportunities and follow the progress of the plan development process on our project website.

## NIA Dance

Ages 18+

This class will begin with a fun, dynamic, low-impact dance that combines moves from yoga, tai-chi, tae-kwon-do, aikido, jazz and Duncan dance. Then we will get on our mats for some yoga and Pilates practice that will take us through a series of dynamic alignment-based poses. These poses will help strengthen abdominals, build core stability, improve posture and muscle tone, increase flexibility, mobilize the spine, and release tension through the body. *No prior experience is needed and all levels are welcome. Please bring a mat and water bottle.* Instructor: Yoga with Miki.

# Mountain View Tennis

Engaged Learning at a tennis park near you.

## MOUNTAIN VIEW TENNIS

**Mountain View Tennis** offers a racquet sports fitness program at public parks that is unique in

the Bay Area. Since 2009, we've taken a holistic approach to public tennis instruction that balances the health and wellness of the individual with public accessibility to professional coaching and open access to courts for local residents.

Our Engaged Learning Approach, with low student-to-coach ratios, means you'll learn rapidly in the context of an aerobic, one-to-one rally with a partner, as opposed to traditional "stand and wait" drills. In addition, we offer flexible class sessions that combine the benefits of a planned skills progression with the flexibility to adjust your class times each week.

Begin any month, easily scale your play amount, choose your schedule and make new friends at one of three park locations in Mountain View.

## Junior and Adult Tennis Programs

- Low student to coach ratios
- Engaged, play-based learning
- Flexible, mobile registration

## Class Sessions

Spring 1: 3/25-4/28 (5 weeks)  
Spring 2: 4/29-6/2 (5 weeks)

# Spring and Summer Ramblings

## Shoreline at Mountain View

Credit: Silicon Shores

Credit: Apollo Fotografie

**Shoreline at Mountain View** is an expansive, 750-acre wildlife and recreation area located over a closed landfill along the edge of the San Francisco Bay. Especially with the days being longer during this part of the year, we welcome you, your family and friends to fully experience the area for its outdoor enjoyment: trails and recreation, historic resources, rental programs and opportunities for special events.

### Outdoor Enjoyment

Current Shoreline amenities include a kite flying area, dog park, sailing lake and 18-hole golf course. If you'd like dinner and a concert, you can also eat at Shoreline Lake American Bistro & Café or Michaels at Shoreline and then visit Shoreline Amphitheatre. For your safety and the safety of others and wildlife, please find the designated area at Shoreline for the your recreational activity. For additional information, visit [MountainView.gov/Shoreline](http://MountainView.gov/Shoreline).

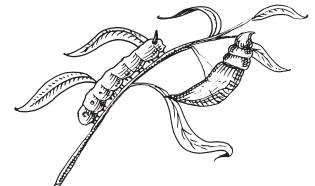

### History & Rental Opportunities

Rengstorff House, built circa 1867, is a community space enjoyed every year by thousands of visitors, rental clients and their guests, as well as a place of respite for those enjoying the surrounding garden space. Open Tuesdays and Wednesdays from 1-4 p.m. to the general public, as well as select Saturdays (based on volunteer availability), the house tells the tale of early Mountain View and our community of immigrants during the Gold Rush era.

To inquire about space availability for the rental program, call 650-903-6088 or visit the City of Mountain View website. During non-rental times, you may also enjoy the exterior grounds with your friends and family. For a 3D tour, or to learn more about opportunities to support the Friends of "R" House, visit [FriendsofRHouse.org](http://FriendsofRHouse.org)

### Wildlife & Trails

Shoreline is home to more than 30 protected species, including a species of special concern, the Burrowing Owl. To avoid negatively impacting habitat and wildlife, we kindly ask that you stay on the trails, pathways, and within designated recreation areas. For your safety, as well as the safety of others, maintain a speed limit of 15 mph on Class 1 trails at all times. For more trail etiquette on Permanente Creek Trail, Stevens Creek Trail and San Francisco Bay Trail, visit the City's website.

La prueba de residencia debe coincidir con el nombre y dirección en el formulario de inscripción.

# LISTO PARA REGISTRARSE?

## Léeme primero

**Asistencia a Clase y Registro** • Usted está emocionado y nosotros estamos contentos de que esté listo para comenzar una clase. Antes de hacerlo, sin embargo, asegúrese de que usted ya esté registrado para participar. El registro para una clase no se lleva a cabo en la clase, sucede ya sea en línea o en persona.

**Lista de Espera** • Ahh! Usted estuvo muy cerca de estar en la clase! Su nombre será puesto en una lista de espera si su primera opción y segunda alternativa están llenas. Una vez que haya un lugar disponible, revisaremos la lista de espera en el orden en que los usuarios fueron añadidos a dicha lista; si usted es el próximo, le llamaremos. Se le dará un plazo de 24 horas para enviar su formulario de inscripción y pago. Si su formulario de inscripción y pago no se envían en el plazo establecido, se le saca de la lista de espera y la siguiente persona en la lista será contactada.

**Edad/Fecha de Nacimiento** • Para inscribirse, los participantes deben estar dentro de la edades requeridas (mínima y máxima) en el primer día de clase. Todos los participantes de 17 años de edad o menos deben proporcionar su fecha de nacimiento. Prueba de edad se puede solicitar.

**Transferencia** • ¿Tiene necesidad de transferirse de una clase a otra? Usted puede transferirse a otra clase, siempre y cuando cumpla con el requisito de edad mínima, haya espacio disponible, y envíe su solicitud por escrito por lo menos cinco (5) días hábiles antes del primer día de clase. Esto significa que si la clase comienza un lunes, tiene hasta el lunes anterior a ese lunes para enviar su solicitud de transferencia por correo electrónico a [Recreation@MountainView.gov](mailto:Recreation@MountainView.gov). Se le cobrarán \$10 dólares por transacción.

**Dar de baja una clase** • Si tiene que darse de baja de una clase y recibir un reembolso, envíenos un correo electrónico a [Recreation@MountainView.gov](mailto:Recreation@MountainView.gov) por lo menos cinco (5) días hábiles antes del primer día de clase. También puede solicitar la baja a través de un formulario que puede descargar de [MountainView.gov/Register](http://MountainView.gov/Register). Como nota aclaratoria, si su clase comienza un lunes, el último día para darse de baja es el lunes anterior a esa clase. Se le cobrarán \$10 dólares por cada transacción.

**¿Ha faltado a una clase?** • Desafortunadamente no se emitirá ningún reembolso u oportunidad para reponer clases a las cuales usted haya faltado.

**Clase ya comenzó, ¿aun así puedo todavía unirme al grupo?** • ¡Sí! No se prorrata los días que ya han tenido lugar; sin embargo, sólo tiene que ponerse al día con todos los demás en la próxima clase!

**Violación de Comportamiento** • Los participantes que reciban tres (3) violaciones de comportamiento serán eliminados del programa específico. Un reembolso parcial de la clase podría concederse a discreción del supervisor del programa.

### Espera, qué? Ha cancelado mi clase?!

Clases que no cumplan los niveles mínimos de registro se cancelarán. Los participantes serán notificados aproximadamente con tres días hábiles antes del inicio de clases y se les dará un reembolso completo, o serán elegibles para transferirse a otra clase si hay espacio disponible. Los participantes que sean transferidos serán responsables de cualquier cargo adicional.

## Renuncia de Responsabilidad y Publicación de Foto

Para considerar la participación en las clases o actividades que la División de Recreación de la Ciudad de Mountain View ofrece, yo, la persona que firma este documento, estoy de acuerdo en indemnizar y no culpar a la Ciudad de Mountain View y por la presente renuncio en presentar cargos y no hacer reclamaciones por pérdida o daño, por muerte, lesiones personales, lesiones corporales o daños a la propiedad que yo pueda tener ahora o en el futuro, en contra de la Ciudad de Mountain View, sus concejales, empleados, agentes y voluntarios por cualquier responsabilidad que surja o esté conectada de alguna manera con mi participación en esta clase o actividad, a pesar de que la responsabilidad pueda surgir por negligencia o descuido por parte de la persona o entidades mencionadas anteriormente. Yo entiendo que los accidentes y las lesiones pueden surgir de la participación en esta clase o actividad; sabiendo los riesgos, sin embargo, por la presente estoy de acuerdo en asumir esos riesgos en nombre de mí mismo, miembros de mi familia y mis asignados, y desistir en presentar cargos y eximir de responsabilidad a todas las personas o entidades mencionadas anteriormente que (por negligencia o descuido) podrían ser responsable por daños y perjuicios a mi persona (o mis herederos o cesionarios). Además, entiendo que la Ciudad de Mountain View, el Consejo de la Ciudad, empleados, agentes y voluntarios, no son responsables de los bienes personales de los participantes en la clase o actividad. Además, queda entendido y de acuerdo que esta renuncia, y liberación de responsabilidades y de los riesgos se ha firmado libremente y es un compromiso legal para mí y para mis herederos y cesionarios. He leído y estoy de acuerdo con la inscripción y las políticas de dicho programa.

Entiendo y acepto que si participo en un programa que se adhiere al Código de Salud y Seguridad de California 124235, el participante inscrito está sujeto al protocolo en caso de una conmoción cerebral como se describe en el Código de Salud y Seguridad de California 124235 que incluye procedimientos para "Volver a jugar."

Al participar en la programación virtual grabada en video, otorgo permiso a la Ciudad de Mountain View y al Contratista para grabar la imagen, los comentarios y las preguntas de mí y/o mi hijo durante las sesiones.

Además, doy permiso a la Ciudad de Mountain View de utilizar fotografías de mí y/o de mi hijo/a o parecido, o la de una mascota o propiedad personal, para uso promocional en cualquier medio de comunicación de la Ciudad de Mountain View.

Con mi firma abajo, reconozco que he leído este documento y entiendo su contenido.

## Liability Waiver and Photo Release

In consideration of participation in a class or activity offered by the Recreation Division of the City of Mountain View, I, the below signed, agree to indemnify and hold the City of Mountain View harmless and hereby waive, release, and discharge any and all claims for loss or damage, for death, personal injury, bodily injury, or property damage which I may have or which hereinafter may accrue to me against the City of Mountain View, its City Council, employees, agents, and volunteers for any liability arising out of or connected in any way with my participation in this class or activity, even though that liability may arise out of negligence or carelessness on the part of the person or entities mentioned above. I understand that accidents and injuries can arise from participation in this class or activity; knowing the risks, nevertheless, I hereby agree to assume those risks on behalf of myself, my heirs, and assigns and to release and to hold harmless all of the persons or entities mentioned above who (through negligence or carelessness) might otherwise be liable to me (or my heirs or assigns) for damages. Further, I understand that the City of Mountain View, its City Council, employees, agents, and volunteers are not responsible for the personal property of the participants in the class or activity. It is further understood and agreed that this waiver, release, and assumption of risks has been freely entered into and is to be binding on me and on my heirs and assigns. I have read and agree to the registration and program policies.

I understand and acknowledge that if participating in a program listed in CA Health and Safety Code 124235, the enrolled participant is subject to concussion protocol as outlined in CA Health & Safety Code 124235 which includes "Return to Play" procedures.

By participating in video-recorded virtual programming, I grant the City of Mountain View and Contractor permission to record my and/or my child's image, comments, and questions during the sessions.

In addition, I give permission to the City of Mountain View to use my and/or my child's photograph or likeness, or that of a pet or personal property, for promotional use in any City-related media.

By my signature below, I acknowledge that I have read this document and understand its contents.
